| Subscriber's Name: _____  |                         |
| Relationship to Subscriber: _____   |                         |

|  |                 |
|--|-----------------|
| Phone Results to:  | Fax Results to: |
| Ordering Provider's Signature  |                 |
| Send Additional Reports To: (Full Name/Address)  |                 |
| <small>Compliance is Mandatory and Regulated. For the laboratory to bill properly and receive payment for tests ordered on Medicare Beneficiaries, specific ICD-9 code(s) or a descriptive diagnosis must be included on each patient for each test ordered. It is critical that the diagnosis provided to the lab is consistent with those recorded in the patient medical record on the date of service.</small> |                 |
