Many Cultures One Community Cultural Center

What: Few bonds in life are more influential than those between a young person and an adult. A new family who has arrived to us through the Refugee Resettlement Program is a great way to share and teach people about different cultures and how they affect our lives. We are looking for mentors who can either or both 1) mentor a family, 2) do a life skills class, or 3) be a life skills coach by just being a family who has been here for 3+ months or for families who have resettled here through the refugee program.

Where: Grace United Methodist Church
