

The Departments of  
Neuroscience & Neurology,  
and the  
Del Monte Institute for  
Neuroscience

welcome you to a research  
symposium to honor

**Marc H. Schieber, MD, PHD**

**Friday  
September 6**

**1:00 – 5:00 PM**

**Rm 1-7619  
Adolph Auditorium**

*Reception to follow*

**Caleb Lag, PhD**

Washington University in St. Louis

“Wearable sensors are  
changing the way we  
think about movement  
and neurorehabilitation”

**Kevin Mak, PhD**

Mayo Clinic, Rochester, MN

“Movement with an  
Element of Style: Teaching  
Precision,  
One Finger at a Time”

**MacSae, PhD**

Arizona State University

“Insights on neural  
control of the hand  
through multidisciplinary  
research approaches”

**Adara, MD, PhD**

University of Kansas Medical Center

“Exploring motor cortex,  
why so many neurons?”
